Attached is the amended report for the 1998 July Quarterly Report that covers the period of (4/1/98-6/30/98). This report is amended in response to your letter dated November 4, 1998 concerning making a contribution to a candidate in excess of the \$5,000 per election limit. The candidate in question is Beverly Clark who ran for a seat in the U.S. House of Representatives for Texas. The following list the contributions made to this candidate in the 1998 election cycle.

<u>Name</u>	<u>Amount</u>	<u>Date</u>	<u>Election</u>
Beverly Clark	\$2,500.00	2/2/98	Primary
Beverly Clark	\$1,000.00	3/5/98	Primary
Beverly Clark	\$2,500.00	4/10/98	Runoff

BAMPAC does not believe it exceeded the \$5,000 per election limit because the contribution on 4/10/98 was for a runoff whereas the prior contributions were given in a primary election. According to FEC campaign guidelines, a primary election and a runoff are considered separate elections with separate limits. In the July Quarterly Report, we incorrectly reported that the purpose of the 4/10/98 contribution was for a primary election. Since this was incorrect, we have amended the July Quarterly Report to correctly state that the purpose of the 4/10/98 campaign contribution was for a runoff election.
